

CB12000

Refrigerated Air Conditioners

12kW Reverse Cycle Spot Cooler

This is a powerful and portable spot cooler that can heat and cool spaces. It can easily move through doors and lifts, making it ideal for different settings such as tents, server rooms, telecom centers, warehouses and events. It is also one of the biggest in our range and can meet various heating and cooling needs.

FEATURES

Up to 120m² Coverage
